Discussing plans for in-person event next semester - talking with Imran about CUESEF request for pitstop test rig Can year reps send new post out to their acquaintances **Industry Night:** We are ready to start selling tickets, Declan is just putting together a poster and we're planning to start this week First week or so we're just selling to 3rd, 4th, 5th years (people will fill out a form to get the eventbrite link sent to them) After we give upper years the opportunity we'll send out the general link for all years Formal Invitations have been sent, currently 7 confirmed reps Will send info to Jules and Jaeho later tonight (sorry for the Anyone over 18 can attend! - Still figuring out alcohol procedures with venue 35 - members and execs (same price) 40 - non members **Publications** will continue to update office booking doodle making the poster for industry night atm Aaron's patches, I may make the Aero C one Services Merch Waiting on Tammy at Accent to send me the proofs and quotes, already followed up but hoping for the best. **Purchasing** Next to buy is milk, Velcro wall supplies (next week), rubbing alcohol for the 3D printer, and wet erase markers (~\$220) Office Keeping it clean and stocked Contact tracing form ready, just needs to be posted on Wednesday Velcro wall in the works. If someone would like to help with purchasing/setting it up please contact me! - Will be purchasing some more general office/kitchen supplies when SGF is back/I have the CMAS debit card. First Year Meeting Met with Parker to discuss suggestions brought up in meeting - Office hours revamp with reduced hours (3max/exec) Office hours buddy system (voluntary) Meeting dedicated to expanding knowledge of portfolios 3D Printer Printing 3 components today and tomorrow

Still working on it, feel free to keep sending photos. Adding the next set on Wednesday Services Request Received requests for water jug for fridge, toaster, and christmas lights (CUESEF next round) Technical Bring in the computer Work on the discord server (over the holidays?) Community updates: Fill out C-Eng Speaks for the Iron Times Yeah not many events coming up because exams Force yourself to take breaks and do things for fun! You're all human, burnout is real. Take one thing at a time, worry about what's in front of you, and you'll be done before you know it. 2nd Year Rep 2nd Year Rep 1nd Year Reps Office Co. really not much to report new doodle poll for this week, is updated on Discord and should be updated on the linktree looking into possibly having volunteers run some office hours next term to alleviate pressure from exec members (so they don't have to hold so many office hours)		D . W !!
