-----------	--

	<p>ENGCOMM</p> <ul style="list-style-type: none"> <li>- Launched in 2013, it is the world's First and Foremost Undergrad multidisciplinary case competition combining engineering and business.</li> <li>- Hosted by Concordia and run by a team of students from John Molson school of Business and Gina Cody School of Engineering.</li> <li>- ENGCOMM is an International University Case Competition, where teams of 4 students studying in engineering and business are challenged to work together to develop innovative solutions to real-world cases submitted by the event Corporate sponsors. <ul style="list-style-type: none"> <li>- Teams have to a set amount of time to solve the cases and prepare presentations detailing their solution.</li> <li>- Teams then have to brush up on their presentation skills as they have to present their innovative solution to a panel of judges that come from academia and business;</li> <li>- Each case is scored based on a pre-determined scoring template.</li> </ul> </li> </ul> <p>Posted a couple things on social for Nadiya</p>
External	<p>CASI talk happened today</p> <p>ASHRAE Career Fair happening soon</p> <p>Promoted advanced aerospace technically stuff</p>
Internal	<p>Made a post for Nadiya</p>
Finance	<p>CUESEF Application (Due on the 29th) - if you need anything, reach out to Andres</p> <p>SGF Application (Due Feb 4th) - if you need anything, reach out to Andres</p>
Events	
Publications	
Services	<ul style="list-style-type: none"> <li>- <b>Polos</b> are ready, looking for a volunteer to go pick them up. They were in total \$338.44 for all 14, including the logo sizing setup fee</li> <li>- <b>Windbreakers</b> have another 18 days: please advertise!</li> <li>- Reached out to <b>velcro wall</b> supplier, waiting on stock update</li> <li>- Bombarded with school recently: <b>exec items</b> will be sent out soon. I will not wait for a meeting, I'll send it out in google forms for feedback and voting on our own time on Discord.</li> </ul>

- Heading into campus as soon as allowed to take an updated **inventory** of all things needed (merch, coffee, etc) if anyone has any specific requests please let me know.
- Might have found a **new supplier** with good reviews: The Custom Apparel Shop. Local business, more convenient location, solid portfolio. If anyone has personal experience with a local supplier please let me know!
- Working with Shaun on **3D Printer** service
  - Thinking free for members, print card for non members (recreational, class would be offered freely)
- Going to work with Andres on **CUSEF** Application
  - Office organizers
  - Office water jug/cooler
  - Taking requests/suggestions

- Technical
- Looking into software for the 3D mouse
  - Finalizing the budget for CUSEF funding
  - Need to double check somethings in the office, will head by when campus reopens.
  - Working with Kass on the “equipment loan” and 3D printer service
  - Reminder to let me know if you need anything on the website

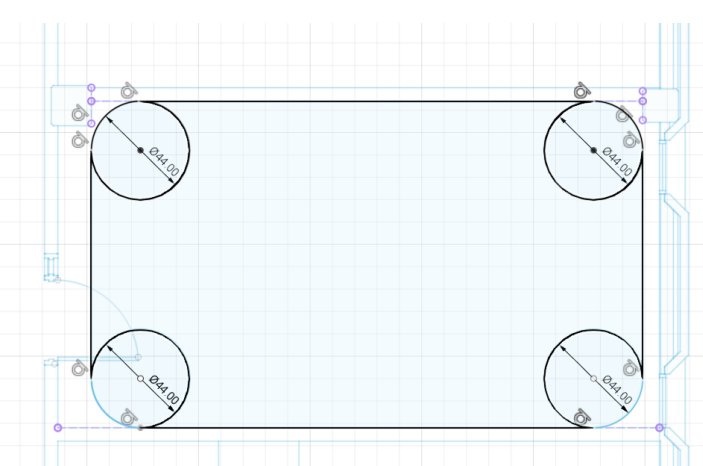

4<sup>th</sup> Year Rep
